MISSION

The Eastern Orthopaedic Association (EOA) was established in 1970 under the leadership of Howard H. Steel, MD and 12 prominent orthopaedic surgeons. Its purpose is to promote, encourage, foster and advance the highest quality and most cost effective practice of orthopaedic surgery and matters related thereto by providing an educational format for the free discussion and teaching of Orthopaedic methods and principles among Orthopaedic Surgeons, both member and non-member; and to establish a forum for practicing Orthopaedic Surgeons to update their knowledge and awareness of new techniques, treatment methods, and devices available for patient care, teaching, and research by using the most appropriate educational methods.

TARGET AUDIENCE

The 48th Annual Meeting of the Eastern Orthopaedic Association has been developed primarily for orthopaedic and trauma surgeons.

CME ACCREDITATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Orthopaedic Surgeons and the Eastern Orthopaedic Association. The American Academy of Orthopaedic Surgeons is accredited by the ACCME to provide continuing medical education for physicians.

The American Academy of Orthopaedic Surgeons designates this live activity for a maximum of 23.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

- *16.75 CME Credits for Scientific Program
- *5 CME Credits for Scientific E-Poster Sessions
- *2 CME Credits for Multimedia Education Sessions

CEC CREDIT

Physician's Assistants can receive up to 23.75 credit hours toward Continuing Education Credits. AAPA accepts American Medical Association Category I CME credit for the Physician's Recognition Award from organizations accredited by the ACCME.

PURPOSE

1. To provide the participants with an objective, unbiased educational experience that will enable them to remain current in both the knowledge and practical elements of contemporary orthopaedic surgery.

President's Message

James T. Guille, MD

Dear Colleagues,

The 48th Annual Meeting of the Eastern Orthopaedic Association (EOA) is right around the corner—October 18-21, 2017 at the Loews Miami Beach Hotel. The hotel is located on South Beach, one of Miami's most exciting neighborhoods, and boasts ocean-front rooms and spacious meeting areas.

The Scientific Program, headed by Richard Wilk, MD, is filled with an array of topics presented in podium presentations, symposia, and interactive small-group discussions, and will take place in the mornings. Afternoons are free for relaxation, social events, or optional educational activities. The EOA's meetings are known to foster audience participation in a friendly environment. My Presidential Guest Speaker will be J. Richard Bowen, MD, from Nemours/duPont Hospital for Children in Wilmington, DE. The Howard Steel Lecture will be given by Mr. Dick Yuengling of Pottsville, PA, who will speak about his family brewery, the oldest in the United States.

Social events will be focused on the South Beach area. A Welcome Reception with food and drink will be held at the Hotel beachfront lawn on Thursday night. This event is a great kick-off start for our meeting filled with learning and relaxation. Day trips and tours, as well as deep-sea fishing, are available for those interested.

Looking forward to seeing old and new friends at this great venue.

Best,

Jim Guille

James T. Guille, MD
President, Eastern Orthopaedic Association

Presidential Guest Speaker

James Richard Bowen, MD

EOA is pleased to announce that James Richard Bowen, MD is the 2017 Presidential Guest Speaker. Dr. Bowen is a Nemours Professor of Orthopaedic Education and Research and a pediatric orthopaedic surgeon at the Nemours/Alfred I. duPont Hospital for Children. He also serves as Professor of Orthopedic Surgery at both Jefferson Medical College of Thomas Jefferson University and Georgetown University Medical Center, Washington, DC. Dr. Bowen served as the Surgeon in Chief and Chairman of the Department of Orthopaedic Surgery from 1984-2005.

Dr. Bowen is a graduate of the Medical University of South Carolina, where he also completed his training in general surgery. He completed a residency program in orthopaedics at Albany Medical Center Hospital in New York and in pediatric orthopaedics at the duPont Hospital for Children. Dr. Bowen also served in the military as Major, USA, MEDDAC, Fort Bragg Womack Army Hospital for two years. He is certified by the National Board of Medical Examiners and the American Board of Orthopaedic Surgery. His clinical interests include scoliosis, hip disorders and growth discrepancies.

Howard Steel Lecturer

Dick Yuengling, Jr.

EOA is pleased to have Dick Yuengling deliver the 2017 Howard Steel Lecture. Mr. Yuengling was born and raised in Pottsville, PA. He graduated from Pottsville High School in 1961 and attended Lycoming College in Williamsport, PA for one year, longing to become involved full time at the family brewery. During high school and college, Dick spent his summers in various jobs throughout the plant. He served six years (from the late 1960's to early 1970's) in the Pennsylvania National Guard.

Dick worked at the plant until 1973 and then bought his own beer distributorship in Schuylkill County. In 1985, Dick bought the company from his father who had become ill. At that time, the brewery was selling 137,000 barrels of beer. Dick made the decision to bring in an outside sales and marketing manager to stimulate the company's growth. He committed to making the necessary investments in his brewery and do what it took to survive and grow his company.

Since those early days, the brewery has grown twenty times in size, reaching a milestone of over 2.7 million barrels and this year, celebrating its 188th Anniversary. With distribution now in 20 states, the brewery currently markets seven products year round, plus three seasonal beers.

Dick resides in Pottsville and is deeply involved in his hometown. He is a member of the Chamber of Commerce, the local volunteer fire departments, and the Pottsville Lions Club. Dick has also served on the Board of Directors for Keystone Financial Corporation as well as the Pottsville Hospital. He is an active member of the Pennsylvania Brewers Association and the National Beer Wholesalers Association.

Dick's four daughters are Wendy, Jennifer, Debbie and Sheryl. They work full-time at the brewery to ensure the Yuengling remains a family business for generations to come.

Accreditation Information continued

2. To provide the participants with a detailed, in depth education of selected topics relevant to the practice of orthopedic surgery
3. Allow participants to assess potential deficiencies in their knowledge base as it pertains to the practice of orthopedic surgery
4. Present ample opportunities for participants to exchange ideas with the presenters, the faculty and other enrollees through paper presentations, guest lectureships, symposia, multimedia educational sessions and poster exhibits.

OBJECTIVES

Educational objectives will be met through a combination of paper presentations, lectures and workshops in plenary, concurrent and specialty sessions with ample time afforded for open discussion. The following objectives will be addressed during the Scientific Program, such that at the conclusion of this course the attendees will be expected to:

5. Improve their diagnostic, treatment and technical skills in the management orthopaedic afflictions by assimilation of scientific advances.
6. Discuss basic science paradigms as they relate to treatment advances.
7. Understand some of the basic principals in practice management.
8. Critically assess emerging trends in orthopedic medicine and evaluate their evidence basis.

DISCLAIMER

The products, procedures and opinions presented at this meeting reflect the viewpoint or approach of the presenter only, and are not to be attributed to the Eastern Orthopaedic Association. The Eastern Orthopaedic Association presents such material for informational purposes only, and does not endorse any such product or the content of any such presentation.

FORMAT

The educational sessions will be held Thursday, Friday and Saturday, October 19-21, from approximately 7:00 am until 1:00 pm.

SCIENTIFIC E-POSTER SESSIONS

Scientific E-Posters are an important feature of the EOA Annual Meeting. E-Posters will be on display each day of the Scientific Program and E-Poster presenters will be available to answer questions before and after the Scientific Program Sessions. Please note on the Scientific Program Schedule the designated times the E-Poster presenters will be available for discussion.

MULTIMEDIA EDUCATION SESSIONS

The EOA will provide multimedia education sessions daily after the Scientific Program on Thursday, Friday and Saturday, October 19-21. A comprehensive selection of AAOS DVDs will be available for your individual education. These DVDs will highlight surgical procedures and current concepts in Orthopaedics. Registered attendees should find these DVDs informative and helpful in their practice.
