

ORTHOPEDIC SURGEON OPPORTUNITY

The Bone & Joint Care Center, a private practice associated with Tower Health, is seeking a **Fellowship-Trained Joint Replacement Surgeon** to join their high-quality, collegial and busy practice located in West Reading, PA.

About the Bone & Joint Center

- Busy private practice specializing in hip and knee arthroplasty and member of a multi-divisional comprehensive orthopedic group
- Located in the Doctor's Office Building attached to Reading Hospital
- Newly-renovated office space with 60-inch smart-board for integrated x-ray viewing
- 1:10 paid general ortho call; no trauma responsibility
- Ancillary revenue opportunities

Reading Hospital

- 700+ bed, tertiary, independent academic medical center
- New surgical tower with 24 ORs, featuring state-of-the-art equipment, including Hana Table and computer-guided radiography
- Separate 19-bed Joint Care Center performing 1200 hip and knee replacements annually
- Well-staffed OR, ER and orthopedic units with dedicated orthopedic PAs
- Five-Star Recipient For Total Knee Replacement, 2017
- Five-Star Recipient For Total Hip Replacement, 2017
- Joint Commission Advanced Certification for Total Hip and Total Knee Replacements; achieved by only 6% of Hospitals in the US
- Ranked #1 in Pennsylvania by ProPublica for Knee and Hip Replacements

Berks County maintains a perfect balance of urban, rural and suburban settings. Our community offers diverse outdoor and cultural activities, outstanding schools and quality of life with easy accessibility to shore points, airports and major metro areas, such as Philadelphia, New York City, Baltimore and Washington, DC.

What We Offer

- Two-year partnership track
- Competitive compensation and benefit package
- Sign-on bonus
- Relocation assistance
- Educational loan repayment assistance
- Malpractice insurance
